Dear Sir:

I regret that it has become necessary to send this letter to your office through another channel. However, I am on the eve of being terminated from the Agency, and feel that all other possibilities have been exhausted.

Congressman Wyche Fowler was kind enough to give me a hearing, and to pass on this letter to your office with the attached brief summary of my employment with the Agency over the past 22 years.

You will see that my reason for addressing you personally is in connection with my efforts to obtain a Civil Service pension which I consider only just recompense for having served my country for the past 22 years.

I would greatly appreciate your looking in to this matter, and hope that something could be done for me in this regard.
